Jimmy Iovine and Andre Young Academy

<http://iovine-young.usc.edu>

This highly selective school within USC chose 22 kids worldwide to be part of the prestigious academy that is flourishing under Dr. Dre and Jimmy Iovine's leadership.

**B.S. in Arts,
Technology, and
the Business of
Innovation**

The school seeks to engage the students in three core disciplines of art/design; engineering/computer science; and business/venture management. At the heart of innovation, students learn how these three subjects interact, while honing their skills seamlessly across multiple disciplines for creative problem solving.
